INDEX 1993

SUBJECT INDEX

AIDS

Dental staff and HIV: Attitudes and behaviors. Richard Adelson, J. Richard Durnan, Robert J. Weyant, Michael C. Manz, Michael J. Geboy, and Susan K. Sverha. October, p. 51.

Fighting the new tuberculosis. Bonnie Rabinowitch and Fred Gordin. April, p. 37.

Involuntary HIV testing of VA patients (Case Studies in Medical Ethics). Stephen F. Wallner. June, p. 44.

Laboratory diagnosis of HTLV-I and HTLV-II (Current Topics in Clinical Virology). Brigitte P. Griffith. June, p. 59.

Substance abuse program takes on hepatitis B (Practitioner Forum). Mitchell I. Burken, Richard A. Crocco, and Leroy C. Bell, Jr. June, p. 14.

CANCER

Cutaneous T-cell lymphoma (More than Skin Deep). Ted Rosen. August, p. 45.

From physician to patient: A personal journey (Practitioner Forum). William Paul Skelton III. January, p. 15.

Incompetent patients with lung cancer (Case Studies in Medical Ethics). Stephen F. Wallner. March, p. 57.

Metastatic malignant melanoma to the oral cavity: A case report. Daniel D. Gammage, Norman A. Flaxman, and Robert F. Schaefer. January, p. 55.

Patient education program on radiation therapy. Lindsay Campbell-Forsyth. September, p. 51.

Plasmacytoma (View from the Viewbox). Ramin Abrahim-zadeh and Donald Resnick. April, p. 71.

PSA in the VA setting (Practitioner Forum). Nadine Khouzam Skelton and William Paul Skelton III. May, p. 22.

CAPITAL COMMENT

Anniversary thoughts: The first 100 columns. Jonathan Sunshine. March, p. 73.

Health system reform, Clinton-style. Jonathan Sunshine. August, p. 57.

Health system reform: What does it mean for VA? Jonathan Sunshine. September, p. 48.

Influential Independent Budget. Jonathan Sunshine. April, p. 61.

Interview with VA's new head. Jonathan Sunshine. May, p. 61.

Key player speaks his mind on reforming VA care. Jonathan Sunshine. February, p. 68.

Lessons from VA's homeless program. Jonathan Sunshine. November, p. 66.

Questions on VA's new quality improvement initiative. Jonathan Sunshine. January, p. 59.

Sexual harassment at VA: The systemic issues. Jonathan Sunshine. July, p. 51.

Sexual harassment in VA: Readers tell their stories. Jonathan Sunshine. December, p. 55.

Sexual harassment in VA: The shameful story of Atlanta. Jonathan Sunshine. June, p. 53.

VA helps the homeless. Jonathan Sunshine. October, p. 34.

CASE STUDIES IN MEDICAL ETHICS

Coronary artery disease in a cocaine user. Stephen F. Wallner. September, p. 57.

Incompetent patients with lung cancer. Stephen F. Wallner. March, p. 57.

Involuntary HIV testing of VA patients. Stephen F. Wallner. June, p. 44.

Treatment of asymptomatic patients with rheumatic disorders. Stephen F. Wallner. December, p. 35.

CLINICAL DRUG EVALUATION

Dezocine for postoperative pain. Diana Ong. March, p. 67.

CURRENT TOPICS IN CLINICAL VIROLOGY

Laboratory diagnosis of chlamydial infection. Caroline K.Y. Fong. February, p. 54.

Laboratory diagnosis of HTLV-I and HTLV-II. Brigitte P. Griffith. June, p. 59.

Cytomegalovirus antigenemia assay in CMV infection. Marie L. Landry and David Ferguson, December, p. 59.

DENTISTRY

Dental QA for today. Jane Allison Wren. June, p. 49.

Dental staff and HIV: Attitudes and behaviors. Richard Adelson, J. Richard Durnan, Robert J. Weyant, Michael C. Manz, Michael J. Geboy, and Susan K. Sverha. October, p. 51.

Metastatic malignant melanoma to the oral cavity: A case report. Daniel D. Gammage, Norman A. Flaxman, and Robert F. Schaefer. January, p. 55.

GENERAL MEDICINE

Dose of calm for cardiac patients. Earl A. Burch, Jr., and B. Todd Sitzman. May, p. 67.

Fighting the new tuberculosis. Bonnie Rabinowitch and Fred Gordin. April, p. 37.

Gunshot wounds of the chest: More than a wartime problem. C. Herbert Fredell and Thomas L. Wachtel. August, p. 52.

Just say no to pressure ulcers: Eliminate the side-lying position. Rudy L. Morton and Dorothy M. Witmer. January, p. 69.

New ideas afoot: A team approach to diabetic foot and ulcer care. Serjik Nazarian, Samuel Mason, Lawrence B. Clifford, Leslie A. Wheeler, and C. Gene Wheeler. December, p. 51.

Warfarin and wound healing: A surprising case. Frank E. Witter and Joyce Kiskadden. April, p. 67.

MEDICAL MANAGEMENT

Beyond VA: Updates from the federal health scene. Aaron Leibel. January–December.

Cutting costs in antibiotic IV tubing. Lee M. Hood, Debby J. Maendl, Rao K. Manne, Gary T. Nagamoto, and Frank M. Price. October, p. 39.

Crises in health care: United States and United Kingdom. Richard M. Whittington. February, p. 47.

Electronic handbook for medical residents. Russell D. Martin. June, p. 64.

How outpatients rate VAMC providers. Steven Starker. May, p. 39.

Images in rheumatology: A multimedia education program. David J. Nashel and John J. Martin. September, p. 45.

How outpatients rate VAMC providers. Steven Starker. May, p. 39.

Images in rheumatology: A multimedia education program. David J. Nashel and John J. Martin. September, p. 45.

Interdisciplinary lipid clinic. Mark L. Britton, Nancy A. Letassy, Susan M. Sirmans, Araceli Neal, and Dale A. Freeman. November, p. 63.
Making a change for the better with a patient services program. Jan Martin, Linda DeLong, and Susan Gring. October, p. 45.
Mix and Match: VA and non-VA care for elderly veterans. Diane C. Cowper, Larry M. Manheim, Frances M. Weaver, and Alan J. Pawlow. August, p. 41.
More time for clinical care in the automated pharmacy. Christy D. Pounds and Randy E. Brooks. August, p. 47.
Pharmaceutical care: A patient-centered pharmacy practice. Mark Szalwinski. November, p. 51.
Purging radiology costs: A CQI journey (Practitioner Forum). Cade J. Davis. November, p. 14.
Ready for change: The Birmingham RMEC gets a high-tech home. George T. Smith. July, p. 35.
RUG II: Reliability and reimbursement in a long-term care setting. Barbara Braun, Joseph Zimmerman, Frances Weaver, Annette Riehle, and Donald Pochyly. December, p. 47.
Take-out treatment: The shift to ambulatory care. Sara Silberman. May, p. 49.
Taking charge of discharge outcomes. Michael Judd and Andrea Kaye Hixon. January, p. 41.
Update on recruitment and retention. Sara Silberman. March, p. 59.
VA market position in inpatient care. George J. Nielson. April, p. 55.

MENTAL HEALTH

Dose of calm for cardiac patients. Earl A. Burch, Jr., and B. Todd Sitzman. May, p. 67.
Jobs, homes, and help for substance abusers. Catherine Leda, Sharon Medak, and Robert Rosenheck. June, p. 39.
Portrait of a potential quitter. Steven R. Graybar, David O. Antonuccio, Lynn Boutilier, and Duane Varble. July, p. 45.
Stormy weather, speedy action: VA responds to Hurricane Iniki. Raymond M. Scurfield, Judith Holland, Rod Y. Torigoe, Mark Yoshinaga, Marilyn Kunishi, Kathleen McNamara, Rick Velas quez, William C.S. Park, and Craig Oswald. March, p. 45.

MORE THAN SKIN DEEP

Cutaneous horns. Ted Rosen. February, p. 61.
Cutaneous T-cell lymphoma. Ted Rosen. August, p. 45.
Reactive erythema. Ted Rosen. November, p. 61.
Secondary syphilis. Ted Rosen. May, p. 57.

OFF THE RECORD

Guilty until proven innocent. April, p. 60.
Pros(?) and cons of affiliation. December, p. 58.
Response from the field. January, p. 62.
"Terrorized" in Nashville. January, p. 62.
Upper-level management and workers both contribute to mediocre care. March, p. 75.

PHARMACY

Alternative perspective on medicinal remedies. Nancy G. Mikell. November, p. 45.
Committing to the future through the VA pharmacy management training program. Michael R. Johnson. November, p. 75.
Dezocine for postoperative pain (Clinical Drug Evaluation). Diana Ong. March, p. 67.
Drug regimen reviews for long-term patients. Richard W. Rigsby and Joseph M. Lamotte. November, p. 73.
Interdisciplinary lipid clinic. Mark L. Britton, Nancy A. Letassy, Susan M. Sirmans, Araceli Neal, and Dale A. Freeman. November, p. 63.
More time for clinical care in the automated pharmacy. Christy D. Pounds and Randy E. Brooks. August, p. 47.
Pharmaceutical care: A patient-centered pharmacy practice. Mark Szalwinski. November, p. 51.
Pharmacy by mail: The CMOP initative. Stephen P. Boykin, Roger A. Pierce II, and Timothy J. Stroup. November, p. 47.
Prime vendor: A prime plan for VA pharmacies. Roger A. Pierce II, Kenneth Siehr, and Albert A. Patterson. November, p. 55.
Transformed profession: VA pharmacy in the 1990s and beyond. John E. Ogden. November, p. 11.

POST-TRAUMATIC STRESS DISORDER

Biofeedback therapy for PTSD patients. M.R. Denney, Jarod Baugh, Wayne Gregory and Norman S. Jessop. February, p. 65.
Manchester PTSD laboratory: A shot heard round the world. Sara Silberman. July, p. 39.
This man's army, this woman's trauma. Sara Silberman. September, p. 33.
Woman's place: PTSD treatment for the combat nurse veteran. Jill Manske. August, p. 31.

PRACTITIONER FORUM

From physician to patient: A personal journey. William Paul Skelton III. January, p. 15.
From public assistance to nursing assistants. Mary Beth Dickey. February, p. 25.
Mechanical devices in the prevention and treatment of pressure ulcers. Angie Tesla, Kim Loughry, Howard Edington, and John F. Stremple. July, p. 15.
On a personal note. Hani R. Khouzam. April, p. 8.
PSA in the VA setting. Nadine Khouzam Skelton and William Paul Skelton III. May, p. 22.
Purging radiology costs: A CQI journey. Cade J. Davis. November, p. 14.
Putting for par. Sam A. Threefoot. March, p. 21.
Respite care as a source of planning data for VA. Ayn Welleford, Cynthia Gifford, and Cynthia McMurtry. March, p. 21.
Snake venom research. Gene Hufford. May, p. 23.
Substance abuse program takes on hepatitis B. Mitchell I. Burken, Richard A. Crocco, and Leroy C. Bell, Jr. June, p. 14.
Surgeon relations. Frederick Lewis and Su Bailey. August, p. 22.
Team-managed HBHC. Joseph D. Kubal. June, p. 15.
VA distribution center gets even better. Paula L. Pedene. September, p. 12.
VA's employee assistance programs. Susan Tozzi, Karen Zaske, George Buckner, and David Hernandez. December, p. 15.
